Your sponsorship investment

Increase your visibility & demonstrate your support for Photonics in Horizon Europe and the new Framework Programme FP10!

With more than 250 decision makers from European Industry & Research, the European Commission, the European Parliament and national and regional public authority representatives, the Photonics Partnership Annual Meeting has become the flagship event of the European photonics community to determine the Photonics Strategic Research and Innovation Agenda for Europe.

Demonstrate your commitment to the Photonics Partnership

The platform builds on a long-term experience of transparent community processes to define the European Photonics Strategic Research and Innovation Agenda which will be presented to the European Commission during the event. Your support will further continue this European success story!
